Chairman's Message

Wuneekeesuq Nutawâm (Greetings to my Tribal Community),

This is a beautiful time for our people. I am so proud of our Tribe and the positive momentum we are displaying in all aspects of our Tribal life. We are pursuing our goals and making progress toward a very bright future for our Tribal family, and I'd like to thank everyone who has been a part of our success. In particular, there have been many very successful events for our Tribe recently that deserve recognition.

Our Annual Ball was a fantastic celebration with Tribal members coming together from near and far to celebrate our Wampanoag Women. A record amount of tickets were sold, as well as a record number of sponsored tables. I give thanks to our Ball Committee for producing such a special event. We should all be proud of their work for our Tribe. The Ball Committee includes Suzette Spinola – Chairwoman, Winona Pocknett, Kristine Foster, Marita Scott, Diane Johnson, Barbara Jonas, Keisha Peters, Rebecca Oakley, Bobby Foster,

Tribal Members Complete Fiber Optics Training

The WIA Department reports that eleven Tribal members completed a six-day fiber optics boot camp. They are now certified as fiber optics technicians, testing specialists, and splicing specialists.

The fellowship amongst the participants was evident as Tribal members from Mashpee, Falmouth, Yarmouth, and Bourne got to know one another and support each other throughout the week. WIA Director Yvonne Tobey said that she enjoyed watching their level of confidence grow daily. She also wanted to extend her thanks to the Tribal Council for supporting the work of the WIA Department.

Members of the training class expressed that it was a great opportunity. Here are just a few of the comments.

This training class in Fiber Optics was very helpful and useful for the positions I'm trying to move towards. I would like to thank the Tribe for giving me the excellent opportunity and I believe we were given excellent instruction.

– Daryl Green

I appreciate the help from the Tribe.

This was a great experience and I learned more than I thought I would. Yvonne is a major help and Yvonne and the instructor are very good people and teachers. Thank you.

– Ervin Edwards

and Council Liaison Trish Keliinui.

I would also like to thank the sponsors of this year's ball, including: Delahunt Group; RGB Architects; Dino's Pizza & Subs; Narragansett Tribe; Smith, Segel, Ruddock & Hayes; Laborers' Local Union No. 876; Robert A. White Associates; Roche Bros.; Todd & Weld; Stephen Burr/Epsilon/JCJ Business Corp.; Arkana Ltd.; Lord & Associates; Coleman Indian Law; Union Gaming Analytics; Rackemann, Sawyer & Brewster; Akerman Senterfitt; Bank of America; United South Eastern Tribes, Inc. (USET); Blackhound Inc.; Strategic Quality Solutions; CH Newton; Mashpee Enterprise; Puritan Clothing of Cape Cod; Heald Hoffmeister & Co.; Lawrence Lynch; The Pacific Northwest Wampanoags; Tilden, McCoy & Dilweg, LLP; and Valiant Security.

The Mashpee Wampanoag Intertribal Social on March 24th was also a great success, with a turnout of over 300 Tribal members. We all enjoyed the great drumming by

Eastern Suns, Red Hawk Drummers and Singers and Mystic

River. The social was about honoring our loved ones who have passed. Many Tribal members brought pictures of their family members who have passed on. Also, we honored the many newborns that have come into the Tribe. We welcome and support these new, youngest members of our Tribal family.

A few weeks ago, over 50 Elders travelled to Aqueduct Casino in New York City. The Elders had an opportunity to tour the facility, learn about the business model and how the casino is run. The tour showed how successful our current investment groups is with managing and developing world-class resort casinos. Aqueduct Casino building, flat service parking and parking garage all sits on 68 acres and was amazing to see the size of the facility and the acreage it sits on. I would like to thank all the Elders who made the trip to New York to educate themselves about our economic development future. I would also like to thank the Arkana representatives who personally greeted our Tribal Elders and ensured that their visit was positive and informative.

Another very successful event

for our Elders was the Temptations concert in New Bedford. Approximately 65 Elders attended this fun and exciting show and had a great time!

These events are just some of the examples of how our Tribe is coming together to celebrate, comfort one another, learn, and build toward our very bright future. I thank everyone for your involvement from the bottom of my heart. You honor yourselves and your Tribe with your participation and commitment. Please continue this excellent level of participation by joining us for the May 5th New Year celebration at the Old Indian Meeting House starting at 11 am. Come one and come all to celebrate the Mashpee Wampanoag New Year. There will be a lot of food, drumming singing, socializing and ceremony!

Change of Addresses

Tribal members, please be aware of the importance of maintaining a valid mailing and street address with the Enrollment Office. Anytime the main office does a mailing we get mail that was marked as undeliverable by the post office, which we still have to pay for the postage. We are trying to prevent this by asking all tribal members to keep a current address on file.

Health System Session

The Mashpee Wampanoag Health Service Unit would like to invite Tribal Members to Talking Feather/ Listening Sessions with Health System Administrator Rita Gonsalves.

Please join Rita Gonsalves, Health System Administrator, for upcoming Talking Feather/Listening Sessions. Rita would like to know how you feel about customer service and the delivery of services from your medical home. Rita has planned several sessions for May and would like Tribal Members to participate to discuss customer service and their views of the clinic as well as expectations going forward.

Tribal Members Tour New York Aqueduct Casino

Elders and members of the Tribal Council recently toured the New York Aqueduct Casino. The group arrived at the casino around noon and was greeted by the owners and some of the staff. After the introductions they went to lunch at the buffet, mingled and then took a lovely tour of the facilities with the owners and staff. After the tour of the facilities, there was a break in the schedule to allow tribal members to explore and to do a

little gambling if they wanted. The day was capped with dinner before heading to the hotel for the evening. The next day the group headed home with entertainment on the bus by some of our elders and councilpersons that were singing and dancing in the aisles. The trip was a huge success and our elders and council members hope to schedule more trips for tribal members.

Tribal Easter Egg Hunt

The Tribe's Easter Egg Hunt was held on Saturday, April 7 at the Tribal Grounds. It was a wonderful event that brought our children and families together. A special thank you goes to the youth council for its help in hiding the eggs. There were about 60 kids that attended and searched our grounds looking for eggs. We broke the children up into four age groups for the egg hunt and awarded prizes to the top boy and girl in each group. At the end of the day, we had seven winners.
