David with his son, Bobby, 9,
and his daughter, Alyssa, 7.

Help David!

David Bettencourt is a 54 year old father of two young children, Bobby and Alyssa, and lives in Middleboro. He is the proud owner of his family's long-standing business, "Bettencourt's Honda and Suzuki", in West Bridgewater.

Within the past year, David was diagnosed with Myelodysplastic Syndrome. He is currently receiving frequent blood transfusions and chemotherapy treatments until he can receive the life saving bone marrow transplant that he needs to survive.

Joining the registry only involves a cheek swab. Contrary to popular belief, if you are selected as a donor there is no pain involved!
